

welcome to

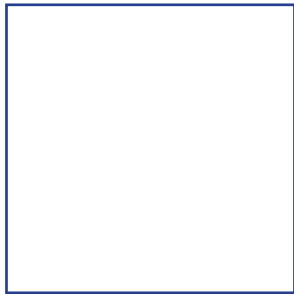

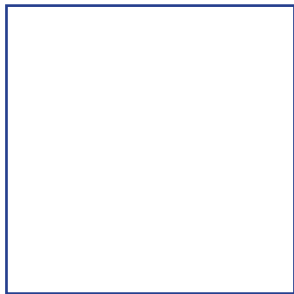

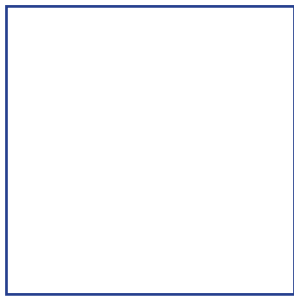

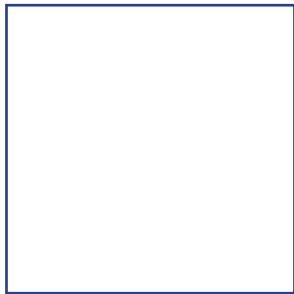

GROCERY STORE BINGO

On the following pages you will find grocery store bingo cards in eight different colors to choose from. Simply print your child's favorite color (a heavier card stock works best) and write in the names of various grocery items on your list for the day.

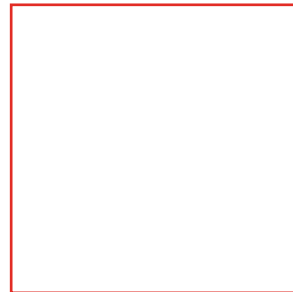

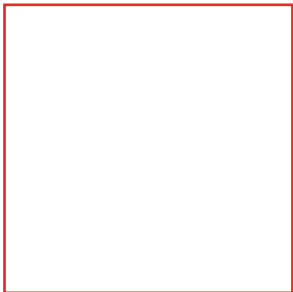

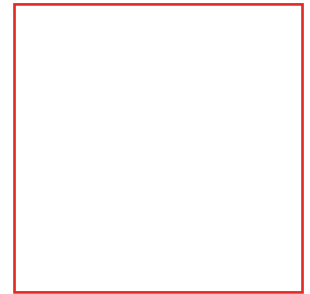

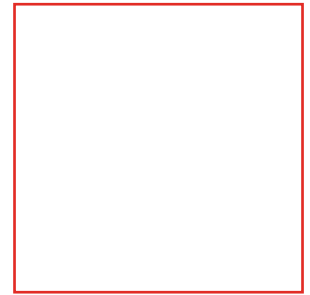

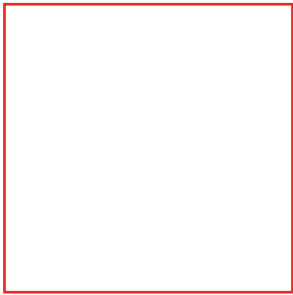

At the store, provide your child with a pencil, stamp, or stickers to play bingo as you gather your groceries in to the cart.

Most importantly, have fun! :)
